### YOW Focus on Diabetes in 2018

**Did you know nearly 10% of Tillamook County residents have been diagnosed with Diabetes?**

There are many more people who are pre-diabetic and may not know it. YOW partners will be working together to create innovative solutions to reduce the risk of diabetes and to help people diagnosed with diabetes to be as healthy as they can be.

**Are You In?**

**Watch for more information about how you can be part of the solution.**
